Conclude the evening with a dram of St. George 2017 Reserve Apple Brandy. This highly-awarded distillery, a local favorite and located on the island of Alameda has been in operation since 1982, producing everything from eau de vie to Japanese-style single malts.

Heirloom apples are sourced from a Mendocino family farm, pressed into cider on-site, distilled in an Alembic copper pot and cask aged for flavor.

One of our personal favorite sippers & a great match for dessert!
