<i>We suggest concluding your evening with a dram of Diplomatico Distillery Collection #1 Batch Kettle Rum.</i>	14
---	----

This limited edition from our favorite rum producer comes from their La Miel Distillery, produced with the same Batch Kettle Still since 1959. Generally used to make whiskey, it produces lovely notes of wildflowers, light oaky tannins, bursts of fruit and caramel. Our vintage is from 2011 and is one of only 5,000 bottles produced.
