Tonight we feature Domaine de Sulauze 'Galinette' Coteaux d'Aix en Provence, France 2024 \$20/glass or \$54/carafe. The landscape of French wine regions has been changing in recent years with the most prestigious regions becoming unaffordable. Younger vigneron have looked to the Mediterranean coast of France, where the land is more affordable and possible to get a start. Based on Grenache blanc, this wine is round, savory, and bright with notes of pear, stone fruit and almonds. Pairs well with the roast chicken
